

DEGREE MAP

The following sequence is an example of how this degree can be completed in two years. This sequence is based on satisfaction of all Basic Skills requirements and prerequisites, and presumes a fall start date. An individual's program may vary depending on transfer institution, career objectives, or individual needs. See your counselor for other options and to monitor your progress.

Program Name: Hazardous Materials Technician-Certificate

Location(s) Offered:

Sierra Vista Campus

Learning Outcomes: *Students who successfully complete this program will be able to do the following:*

1. Demonstrate the ability to identify hazardous materials and to make decisions on how to best mitigate the potential emergency incidents.
2. Demonstrate the ability to actively engage in plugging and patching hazardous waste materials and to conduct offensive maneuvers to mitigate actual and potential hazardous material spills.
3. Demonstrate the ability to use chemical diagnostic tools to determine unknown chemicals.
4. Demonstrate a clear understanding of the Incident Command System (ICS) and function within its guidelines in a safe and accurate manner.
